Name:		
Address:		
Phone Number:		
Email Address:		
Does your group have a bank account in their name?	Yes/No	
Account Name:		
Sort Code:		
Account Number:		
Please give a short outline of what you will spend your grant/vouchers on		
Why do you want to do this? How will it improve the environment and benefit the local community? (See some ideas listed 1-8 below)		
How will you assess if you have achieved what you set out to do?		
Please indicate the number(s) of the criteria listed below that you aim to meet. You should list at least one to be eligible for the grant: The criteria can be found on page 2.		

Below are examples of Bolton Council criteria for you to consider in your funding application. Please state which of these criteria you are aiming to meet in your proposal.

You do not need to aim to meet all the criteria but we will ask you to state in your feedback which criteria you have met.

1. Will you be improving a green or blue (water) space, or creating a new one? If so please provide details
2. Will you be organising local events or activities? If so, please provide details..
3. Will you be improving or creating any local amenities such as repairing or replacing a shed or bench
4. Will you be running any creative events e.g. *workshop/project to make bird or bat boxes, bug hotels*
5. Will what you do help to increase the number of visitors and/or volunteers to your site?
6. Will the grant be used for any training for your volunteers?
7. Will public safety be Improved as a result of what you are able to do with the grant e.g. improving a footpath?
8. Will the funding improve your IT capabilities e.g. website hosting fees, training on social media

For alternative ways of applying for a grant, for example via a short video, in person or Zoom please refer to the [BGU Grant Guidelines 2024-25](#)
